

## GSPCA Animals in Need of Good Homes

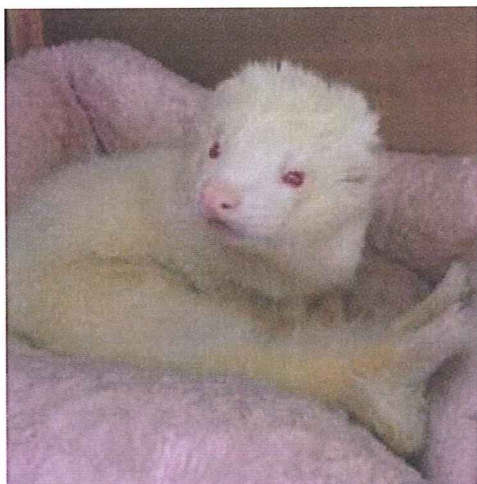

[www.gspca.org.gg](http://www.gspca.org.gg)

Harley is a Patagonian Conure that is in need of a loving new home ideally with a large flight or aviary. We often have birds at the Shelter looking for new homes and if are looking for a feathered friend please get in touch.

Malibu, the male Cat is a lovely older boy in need of a quiet home. He is on a daily tablet of fortekor as he suffers from high blood pressure which he takes easily crushed in meat. He needs to be re-homed away from a main road as his condition was recently diagnosed and this has caused some damage to his eye sight. He is now feeling much better since on his medication and loves nothing more then playing with his toy mice. Will need to have his blood pressure checked every 4 months.

Marius is one of many adult neutered male ferrets we have at the Animal Shelter looking for good homes. He likes to go for a walk and is use to being handled.

Sissi is a 12 year old rottie who is a lovely lady that needs a nice quiet retirement home. She likes the company of a relaxed home where she can lie back and enjoy life with a few squeaky toys. She'd rather not have other dogs or cats in her new home and prefers shorter walks than most dogs due to her age.

Fluke is a very sweet 14 year old terrier who is looking for a retirement home with people looking for an affectionate little dog who just wants some company. Unfortunately he can't live with cats but he could live with children and another dog. Fluke does have an on-going allergy that will need monitoring but he is a spritely character with bags of personality. Can you help this little dog find a new family?

Lamar is an Housecat only, he has had a very bad start in life and will not tolerate to much hands on contact, he takes a huge amount of time to get to know new people and can act quite aggressive towards people he does not know, as an Housecat new owners will need to be happy to arrange their house to suit his needs.

Betty the albino bunny rabbit is looking for that perfect home as are many of our rabbits at the Shelter. We even sell large outside runs suitable for rabbits so please ask at the Shelter for more details.

Summer is one of many Chinese Hamsters in need of a new and loving home and if you can help this little lady or any of the rodents in need please speak to a member of staff at the Shelter.
